UUI's Suggested Fair Share Giving Guide

This guide was originally developed by the Unitarian Universalist Association of Congregations (UUA) to serve as tool for supporters interested in making a fair share pledge to their congregation. UUI's guide has been adjusted to a lower amount to reflect the greater Indianapolis area community. The guide is based on the real operating costs of our church home. It will require an average of $978 per day to operate our church in our 2011 fiscal year. This equates to a cost of $1,362 per member per year.
